MAYFAIR

THE EMIN ROOM

34 Mayfair's private dining space is a culmination of the very best the district has to offer – graceful architecture, a cutting-edge art scene and a reputation for the finer things in life.

Works by Tracey Emin RA line the walls and light up the room, while the oak-panelled room reflects the classic style of this most genteel of neighbourhoods, set off by red leather-backed chairs, polished wooden floors and Art Deco flourishes.

Housed on the first floor above the main restaurant, the Emin Room lends itself to all manner of occasions from networking events and book launches to wedding receptions and family parties.

Head Chef John Edwards has artfully created selection of seasonal menus exclusively for the Emin Room, as well as an enticing array of canapés. Seasonal flowers can also be arranged by our team.
